***** In order to keep our prices affordable while continuing to practice excellent medical care, we do not file or accept payment from insurance companies. We ask that payments for all services be made by cash or credit card prior to leaving the office. At this time, we do not set up billing or							

arrange payment plans (other than our P3 program), nor do we accept checks. If you have medical insurance, let us know so we can provide you with

an itemized bill that you may submit to your insurance company to see if they will apply it towards your deductible or reimburse a portion of the charges

(there is no guarantee that your insurance company will do either of these).
